

# KNX CERTIFICATE

Smart home and building solutions.  
Global. Secure. Connected.

**Mauro Bottero**

KNX Association hereby confirms that the above person  
has successfully attended the **KNX Tutor course**:

this extra qualification gives the person the possibility to  
become a KNX tutor at a KNX certified training center,  
either as freelance or on the payroll.

Joost Demarest, CTO  
KNX Association

Brussels, date  
16/07/2018

A handwritten signature in black ink, appearing to read 'Joost Demarest', written over a faint, dotted world map background.
